Position Title:
Student Volunteer

Purpose:
Help educate campus community about marrow donation and assist at or lead registry drives on campus.

Location:
Colleges and Universities in the U.S.

Key Responsibilities:
- Inform potential registry members about the requirements to join and answer any initial questions they may have
- Review consent forms for accuracy and determine if potential donors meet health eligibility
- Assist potential registry members with swabbing
- Lead drive in community engagement representative's absence
- Work with other Be The Match student volunteers on campus to promote and educate about the need for young adults to join the registry.

Qualifications:
- Complete online application
- Completion of online trainings
- Review of policies and procedures
- Must be at least 18 years of age
- Understanding of and compliance with confidentiality agreement
- Good communication skills
- Access to own transportation

Reports To:
Local community engagement representative

Length of Appointment:
Academic year (August 2017 – June 2018)

Organization Description:
For people with life-threatening blood cancers - like leukemia and lymphoma - or other diseases, a cure exists. Be The Match® connects patients with their donor match for a life-saving marrow or umbilical cord blood transplant. People can be someone's cure as a member of the Be The Match Registry®, financial contributor or volunteer. Be The Match provides patients and their families one-on-one support, education and guidance before, during and after transplant.

Be The Match is operated by the National Marrow Donor Program® (NMDP), a nonprofit organization that matches patients with donors, educates health care professionals and conducts research so more lives can be saved. To learn more about the cure, visit BeTheMatch.org or call 1 (800) 627-7692.
