**Please note:** We do not offer a bag drop. Please leave any items you don’t want to carry in a secure location.

**Course Information:**

The 1K and 5K routes are along the paved running/biking Lakefront Trail starting near Upper Hutchinson Field. While there are no vehicles on this trail system, it is open to the public and is popular with joggers & cyclists. Please be courteous to other runners, walkers, and cyclists by staying on your right, especially if you are accompanied by children and/or have strollers. There are two points where the route crosses the street, so traffic Control Officers will assist participants at these intersections.

We are better neighbors when we do not block the whole path by walking 4-5 across, but rather walk in pairs and leave room for other beach-goers to enjoy the paths as well.

It is also important to pay special attention to the directions provided by signage and course marshals. The Tot Trot is approximately 150-200 feet

**Parking Information:**

Metered street parking is available on Columbus Drive between Roosevelt and Jackson. Please pay close attention to any posted signage and make sure to pay for parking at designated kiosks. In some cases the kiosk may be located further down the street. Participants are also encouraged to consider public transportation. There is a CTA stop at Roosevelt (Green/Orange/Red Line). The event site is about .6 miles from Roosevelt.
